Ivan Potapov - CV

Address	Moscow	**Mobile Phone**	+7 (968) 8973959
Date of Birth	12th March 2002 (20 y.o.)	**Email**	ipotapov@edu.hse.ru

Personal Profile

I always enjoined IT and economics, as a result, I would like to work on tasks, which are based on Data Science, Machine Learning models building, especially, connected with Financial Risks. Currently, I am a student in a top Russian university and most of the time I spend on related to this sphere subjects, all of them are presented below. I do not have commercial experience in Data Science, but for now I have tried to work on serious subjects in a team, thus, I suppose, I am ready to work as junior specialist.
